EDITORIAL

Col. McLellan.

Owing to lack of time for printing, due to Christmas Holidays and nearness of January meeting, and also because certain of our printing staff indisposed because of motor accident, this is a curtailed edition of your circular. In this we are not alone, as scrutiny of several popular weekly magazines will reveal.

UPPER CABOOLTURE / DAY WALK / JANUARY 14TH. / SUNDAY.

Leader Therese Moynihan - Nominate before January 8th.
Depart from Roma and Turbot Streets 9 a.m.

Surely we have now seen the end of the abnormal hot weather. This walk along the upper reaches of the Caboolture River should be a welcome salute to the New Year. Good views of the Mt. Mee country and Blackall Ranges should be obtained. Full water bottles should be carried.

MONTHLY GENERAL MEETING / MONDAY JANUARY 15TH. / TEMPERANCE HALL.

This meeting will commence at 8 p.m. (See elsewhere in this circular for possible future times). Meet all your friends for a chat of the doings of the holidays. A change in guest for the night, and we will be addressed by Therese's father, Mr. Moynihan, on either the Lay Apostolate or the St. Vincent de Paul Society.

CAR OWNER'S NIGHT / WEDNESDAY JANUARY 17TH. / YCW BOYS ROOM

If your assets include a car (or if you can regularly borrow one) come along to the Y.C.W. Boys' Room at Centaur House immediately opposite Piccadilly Arcade in Queen Street. The Y.C.W. now have a large room in air conditioned splendour and the subject is the organising of certain trips by private transport in such a

CAR OWNER'S NIGHT (CONT'D)

way that financial loss will not be felt by the drivers concerned. Verbal details at January monthly meeting.

ICE SKATING / MOWBRAY PARK / FRIDAY 19TH. JANUARY.

Come and join Snoopy and his mob. For only 80 cents you can secure admission to the rink and also partake of supper afterwards. The show commences at 7.30 p.m. with participants meeting at the Garage across the road. For a good long stern look at yourself and others, this social is recommended, nay, essential. Nominations close 15th. January. Ring Anne Davis 57 4477.

LONG WEEKEND / TRIP TO LAKE COOLOOLAH / JANUARY 26/29TH.

Leader Doug Anderson Fare \$ 6.00 Nominate before
22nd. January Depart Roma and Turbot Streets 6.30 p.m.

See last Circular for full details. Briefly speaking, trip should not be missed as it embraces the country north of Tewantin which contains the lake system of the Noosa River including Lakes Cootharaba, Como and Cooloolah, the latter being fresh water. Trips to the Teewah coloured sands onto the great beach running to Double Island Point will be made and on the return trip it is planned to visit the Kondalilla National Park beyond Montville, and see the spectacular Bon Accord Falls. Miss the trip to your sorrow.

WEEKEND TRIP / SPRINGBROOK / FEBRUARY 9/11TH.

CONTACT OUTINGS SECRETARY FOR LEADER AND NOMINATION FEE WHICH WILL PROBABLY BE ABOUT FOUR DOLLARS. UNLESS OTHERWISE ADVISED. MEET AT ROMA AND TURBOT STREETS 6.30 P.M. FRIDAY.

WEEKEND TRIP / SPRINGBROOK (CONT'D)

Springbrook Plateau rises to 3189 feet and provides grand views of the country from Lismore and Byron Bay to Brisbane. The National Parks of Springbrook carry some of the densest rain forest in the south eastern portion of the State and the many waterfalls are far famed. Whether you revel in the southern views from Bilborough Lookout, prefer the walk into and through the great Purlingbrook Falls, hanker for the scrub bashing along Lyre Bird Ridge overlooking Numinbah Valley, or wish to ascend the interesting Pinnacle which rises abruptly from Waree National Park, you will be well served. Remember also that Springbrook is extremely partial to any rain that is around, so come prepared.

As a sample of the popularity of this region, it can be said that a trip to Springbrook in 1969 still holds the Club record for attenders as over 84 people came with us then.

WEEKEND SAFETY AND TRAINING EXERCISE / FLINDERS PEAK /ARRANGED BY THE FEDERATION OF BUSHWALKING CLUBS /FEBRUARY 16/19TH.

Safety and Training, or if you prefer, Search and Rescue, is a vital adjunct of any Club activity. Take advantage of the opportunity to mingle with other clubs and practice the latest in rescue techniques in the intensely interesting Flinders Peak area. Once again, contact the Outings Secretary to obtain full details of fares, transport etc., but, if you wish to spend this weekend with people who are prepared to put something back into the activity from which they derive so much pleasure, this is for you.

MONTHLY MEETING / TEMPERANCE HALL / FEBURARY 19TH.

It is hoped that Col Huddy will be available to show his slides of Antarctica. Consult next Circular for something definite. Also note particularly that this meeting may be commencing at 7.30 p.m. as the Club has received advice from a member that, on the night of the January meeting, he will move that future general meetings will commence at 7.30 p.m.

SWIMMING - BAR B QUE NIGHT / FRIDAY 23RD. FEBRUARY

Watch next circular for full details. At the moment it is planned to engage one of the semi-private pools and to have a bar-b-que afterwards.

KEEP THESE DATES IN MIND

FEBRUARY 25TH.	DAY WALK	MOUNT GORMAN
MARCH 2/3 RD.	BASE CAMP	CLUB HUT, LOWER PORTALS
MARCH 15/17TH.	BASE CAMP	SWAN CREEK / HELLHOLE GORGE

There will also be track clearing weekends under the auspices of the Federation on the following dates, May 18/19th, July 20/21st, October 19/20th., and March 1969 15/16th. Also the annual Barney Pilgrimage is on Sept. 14/15th.

In this emergency edition, we would like to commiserate with Anne Davis, Tony Crowley and Jenny Cushing on

injuries received in recent ear accident. We hope to see them all bright and eager again the the near future.
