Once again the club is arranging a trip to a new area with a view to offering plenty of variety for members. Blackfellow's Creek Valley is south of Gatton and via Mt Sylvia. It is extremely interesting country ranging from heavily timbered slopes on Mt Mistake to rather sparse foothills of the eastern edge of the Great Dividing Range. Features of the area include Glen Lock and Red Lock, both of which we hope to visit. A large waterfall on the western side of Mt. Mistake is reputed to have a sheer drop of 500ft. Further particulars regarding the through/walk will be given in next month's circular.

REMINDER OF COLLECTION AT GENERAL MEETINGS.

The collection is taken up at each general meeting to help cover the cost of hiring the hall and providing supper. Would all members please assist with a small donation each time the hat comes around?

NOTE ON RE-DRAFTING OF CLUB CONSTITUTION

The draft copy of this is now in hand and copies of it will be circulated among all committee members for their perusal and consideration and as soon as possible a special committee meeting will be held to finalise the matter.

AROUND THE CAMP FIRE

John Fower is leaving us to go over to Ireland to study for the Priesthood, and we wish him many blessings in his new life.

From the very beginning of the Club, John has worked with determination and vigour towards establishing it as a first-class organisation, and when he is no longer with us we will feel his absence very much.

Good luck John, and may Our Lady of the Way guide you to the summit of the Priesthood.

Fr. Hayes has now arrived back in Tipperary, Eire. For those who are interested his address is:- RATHCOOLE, FETHARD.

Congratulations to Pat Wetherington and Raoul Mellish who have recently announced their engagement.
