EDITORIAL

It seems a pity that out of a club membership in the vicinity of 120 it is considered acceptable if there are 20 members on a trip and a cause for great rejoicing if the numbers reach 30. It must be obvious therefore that some members are not doing their duty by the Club.

As can be seen from the list of events on the front page of the circular, there is a full programme over the next two months. The two weekend trips are being run at specially reduced prices to attract members. One of the difficulties of this type of selling is that a full bus load of members will just off-set the cost of the trip.

The December trip should be one of the best for the year, those who visited the area recently from Swan Creek will remember that it is not a difficult walk and the swimming in the gorge should be particularly good. The price is attractive and this trip will represent an opportunity for our members who are students to relax and recover from the post-exam let-down.

It is hoped that Club members will as far as possible patronise these trips to vindicate the committees contention that the old adage of "small profits good returns" still applies.

CANUNGRA CREEK - DAY WALK

Date	-	October 25th	Leader	-	Greg Huddy
Departure point	-	<u>TAMBORINE DEPOT</u> Rona Street.	Nominations	-	October 21st.
Departure Time	-	9.00 a.m.	Price	-	12/6.

As was pointed out in previous circulars it is essential that this trip leaves promptly at 9.00 a.m. so the attention of all members is drawn to the departure point TAMBORINE BUS DEPOT at Roma Street.

As was explained in previous circulars this should be a perfect summer trip as it will largely follow Canungra Creek so bring your togs.

MT. GREVILLE - WEEKEND.

Date	-	November 13/15th	Leader	-	Terry McCrley.
Departure Point	-	Tamborine Depot.	Nominations close	-	Tuesday 10th.
Departure Time	-	6.30. p.m. Nov.13th.	Price	-	£1. 5. -.

Mt. Greville is a member of the group of Mountains which lies to the east of Cunningham's Gap. Rising as they do from a flat surrounding area they present an uninterrupted view of most of the mountains of south-east Queensland and the Great Divide from Cunningham's Gap to the border.

The ascent of the mountain will be made through the gorge and this particularly rugged country provides an abundance of interesting walking. Members are requested by Tony O'Brien to keep an eye out for his machette which was lost on a previous visit. The campsite will be on Reynolds Creek and the party could visit Moogerah Dam on the Sunday. The Dam is also visible from the top of the mountain.

NOVEMBER MEETING

*General
Club Secretary
and Treasurer*

The November General meeting will be held at the Temperance Hall, Hotel Canberra on Monday, November 16th. The judging of the annual photographic competition will be the attraction at the meeting. This years judge will be Mr. Tom Scruse a well known Brisbane photographic identity. Slides for the competition must be in Bernice Caffery's hands before November 4th together with entry fee of 6d. per slide.

MT. NEBO - DAYWALK

Date - November 22nd.

Leader - Jim Collins.

Departure Point - Tamborine Depot.

Nominations - 18th November.

Departure Time - 9.00 a.m.

Price - 10/-

With the event of summer, the swing away from the more arduous trips makes this day walk most attractive.

Mt. Nebo is situated close to Brisbane's north western suburbs and is easily accessible by good roads. It provides very interesting walking with some good views of Brisbane's suburbia, the Glass House Mountains and the surrounding mountains. Full waterbottles are recommended for the climb to the summit.

South Pine falls will also be visited and there is excellent swimming to be had in the creeks and togs are advisable if you do not wish to sit on the bank and envy those who brought theirs.

BEACH PICNIC - KINGSCLIFFE

Date - Sunday November 29th.

Price - 15/-

Departure Point - Tamborine Bus Depot.

Departure Time - 9.00a.m.

Kingscliffe beach situated on New South Wales Diamond coast is to be honoured with our presence for the beach picnic on November 29th.

This is a somewhat neglected area of the coast (neglected in visits that is) although the beaches here rival some of the more famous ones elsewhere in New South Wales.

A good day's fun is guaranteed by our social committee, so come along and enjoy the first summery social of the season.

HELL HOLE GORGE - WEEKEND

Date - December 11/13th

Leader - Tony O'Brien

Departure Point - Tamborine Depot.

Nominations close - Dec. 9th.

Departure Time - 6.30 p.m. Dec. 11th.

Price - ONE POUND

This must be the greatest bushwalking bargain of all time. A trip of the calibre of this one, over such a long distance at the ridiculous price of ONE POUND (not each way, but total).

The Hell Hole Gorge area on Swan Creek immediately west of the great divide is well worth visiting and members are warned in advance so that as many as possible will come and the trip will pay.

CHRISTMAS PARTY

The Annual Christmas Party will be held at Our Lady of Victories Hall at Bowen Hills on Thursday December 17th. Admission is 5/- or 2/- for those bringing supper and members and visitors are requested to bring a present worth 2/6.
