EDITORIAL.

It is now the closing date for articles for "Barrani." Unfortunately so few people have contributed that it scarcely seems worth while to produce the magazine.

At the moment we have about half-a-dozen articles - out of a Club of 120 members. The fact is appreciated that studying for examinations has prevented some would-be contributors from writing an article. However most exams are over by now, so we look forward to seeing articles coming in by the truckload. If you have never written anything before - give it a try, don't leave it to the same people all the time, to do all the work. Articles can be handed in to any member of the General Committee or sent to the Club Box.

NOVEMBER DAY WALK - MOUNT NEBO.

<u>Date</u>	Sunday Nov. 22.	<u>Leader</u>	Jim Collins.
<u>Departure</u>	Tamborine Depot.	<u>Nominations</u>	November 18.
<u>Time</u>	9.00a.m.	<u>Price</u>	10/-.

Mt. Nebo is situated close to Brisbane's North Western suburbs and is easily accessible by good roads. It provides very interesting walking with some good views of Brisbane's suburbia, the Glass House Mountains and the surrounding mountains. Full waterbottles are recommended for the climb to the summit. South Pine Falls will also be visited, and there should be excellent swimming to be had in the creeks. So don't forget your togs.

BEACH PICNIC - KINGSCLIFFE.

<u>Date</u>	Sunday Nov. 29.	<u>Price</u>	15/-
<u>Departure</u>	Tamborine Depot.	<u>Time</u>	9.00a.m.
		<u>Nominations</u>	November 23.

Please take good note of the nomination date and book in time, as beach picnics usually prove very popular and this one should be no exception.

Kingscliffe, on the New South Wales Diamond Coast is an especially attractive resort. Don't think however that

SYMBOLISM OF THE CLUB BADGE.

Taken from the Club's First Annual Report.

The symbolism of the badge has been taken from a characteristic bushwalking setting: a camp-fire at evening with tents behind it, and in the distance a mountain rearing its three-peaked mass against the sky with the Evening Star shining over all.

The evening star has been taken to represent Our Lady. (It is interesting to note that "Morning Star" in one of Our Lady's titles in the Litany and the "Morning Star" and the "Evening Star" are the same planet).

Her guidance is shown by the three beams of light which descent to the summits of the peaks, and the two tents have been so placed that they are in line with the two outer beams, while the central fire is in line with the middle beam.

This fire symbolises the enthusiasm of the Club, and it rises from two pieces of wood in the form of a cross.

The latin motto "Duce Maria" which means "Mary, Our Leader", is a constant plea to Our Lady of the Way, the Club's patroness, for guidance.

HEALTH AND FITNESS.

Bruised by the masseur's final whack,
The patient lay without a sound;
Then, coming to, he hit him back;
Now masseur's in the cold, cold ground.

DECEMBER MEETING.

The December General Meeting will be held at the Temperance Hall, Hotel Canberra on Monday December 21st. Peter Robinson will show his latest movie of Club trips etc.

NEW MEMBERS.

We extend a welcome into the Club of the following who have now attained full membership.

Keith Condon, Elizabeth Stearman.

LIBRARY BOOKS.

The Club Librarian has advised that the following books have been outstanding for some considerable time, and he would like to see them returned at the earliest opportunity.

FROM COMMITTEE:

Donations are still coming in towards the building of a Club Hut at Barney Portals. Eleven pounds has been received from members since the last General Meeting.

If you happen to be one of the many members who skip through the circular without reading the editorial, we ask you to make an exception this time. Read it, then please let us have your article for "BARRANI."

The Secretary considers that when someone falls over a cliff, members should not ring the newspaper straight away.

The Social Committee advise that there will be another Car Rally in the near future.

Committee members very worried about the "ring-in" who sat in on the last Committee meeting. They are not quite sure what is going to happen, but fear the worst.

Quotation taken from an American Camping Book which may prove of interest to members old and new alike.
"Haystacks can provide shelter in an emergency. Burrow in and wait till the weather clears."

NEWS AND VIEWS.

Our congratulations to Peter Murphy and Margaret O'Shea on their recent engagement. No, Peter and Margaret have not had a slide evening, although Peter has the Club Projector.

Social Committee does not state what sort of plates were left behind after the Progressive Tea.
Alice Tyrrell has bought a Mini-Minor.
One member most upset at receiving six bull-ant bites on recent club trip. Consoling thought - bull-ant bites are supposed to be good for arthritis.

Terry Sheahan said to be holidaying in Ireland after a year in Ghana - working.

Don't ask Madonna Stratford what she thought of working in New Zealand - she may tell you.

Every knows the true story now, and no-one will speak to Merv. Galvin.

Merv. Holman seen as a school-teacher in recent Villanova production "The Happiest Days of Your Life." Merv. must surely hold the record for the greatest number of suits ever worn in the course of any play.

Margaret Thompson going to Canada in early January. She will show her "recent" Threadbo slides when she returns - maybe.

Jim Collins back in business again. His staff of six Club typists now have returned from their holidays.
We have it "on good authority" that there is some social news concerning Terry McCortley but our informant has for gotten what it was about. Anyone any ideas?
Greg Huddy has bought a Motor Scooter while Col. Huddy has bought a motor bike.

because we are venturing into N.S.W. that you won't need that sunburn cream. The sun does shine there also on occasions, so be prepared for a really fine day.

WEEKEND - HELL HOLE GORGE.

Date	Departure	Taborine Depot.	Leader	Nominations	Price
December 11/13th.			Tony O'Brien.	December 9th.	£1. 0. 0.

Please take note of the specially reduced price of only £1. 0. 0. A very good start to the Christmas Season with a 10/0 reduction.

Members who attended the trip to Swan Creek earlier this year will remember walking some of the way up into "Hell Hole Gorge" on the Sunday. This should prove quite a good summer trip as we will be following the creek quite a lot of the time and there should be good swimming in the gorge.

For those energetic members it is rumoured that Mount Double Top may be climbed on the Sunday.

CHRISTMAS PARTY.

Thursday December 17th. is the night to remember for this most important event. The Social Committee are said to be "cooking up a few items." Let's hope the "cooking" will be as good as for the Progressive Tea. The venue for the Christmas Party will be the same as last year's, at our Lady of Victories Hall at Bowen Hills. Admission is 5/- or 2/- for those bringing supper. Members and visitors are requested to bring a present worth 2/6 to 3/0.

JANUARY FOUNDATION DAY WEEKEND.

In this, our first trip for 1965, we hope to visit Broken Head and the Nightcap Range areas of N.S.W. However, further details will be made known next circular.
