For specific enquires, contact the committee member (from above) concerned. For outings or socials, contact the leader shown in the calendar or article. Visitors – for general enquires contact Susan Tobin 3366 3193.

JILALAN

Please have all articles to Majella (11 Montrose Place, The Gap 4061) by the 1st of the month. Articles, if on disk need to be submitted in RTF (Rich Text Format) with a hard copy included, otherwise a handwritten or typed copy will do.

Alternatively, you can e-mail your articles to: robertsonm@marash.qld.edu.au

GENERAL MEETINGS

Meetings are held on the 3rd Monday of every month, at 7:30pm. The location is **St Brigid's Parish Hall, Musgrave Rd, RED HILL. VISITORS are always welcome.**

OUTINGS

- (a) Always read the Jilalan article to check the departure point, date and time.
- (b) Departure of walks is usually either from the Old Windmill on Wickham Tce or at Sullivan & Nicolaides (134 Whitmore Street, Taringa – enter via the upper driveway and drive down to the upper level of the carpark). Check "Jilalan" or phone the leader to be certain.
- (c) The club will usually organise transport for each outing, but you must nominate in advance to the leader. Contacting someone else may lead to your nomination becoming "lost". Nominations should preferably be made by the Monday prior to the activity (Wednesday at the latest) so that transport etc. can be arranged. Note that nominations for some walks may close well in advance of this. Late nominations may not be accepted.
- (d) Walkers are responsible for their own transport to and from the departure point.
- (e) Walks are rarely cancelled – if they are, all nominees will be notified. Should you change your mind and decide not to come to a club event, please notify the leader as soon as possible.

EMERGENCY OFFICER

If, within the hour prior to an outing's departure, you can't make it or you are running late, phone the number shown in the Jilalan for the Emergency Officer for that outing. If you have not returned from an outing by 9:00pm your family may ring the Emergency Officer – but please don't panic.

EQUIPMENT HIRE

The Club has some tents and through-walk packs to hire to visitors and newer members. Borrowers are responsible for collecting and returning equipment, as well as making good any loss or damage over and above normal wear and tear. Hire rates – Packs \$10/weekend, Tents \$5:00 – Deposit of \$20:00 required.

PERSONAL EQUIPMENT

The Association requires that all walkers on all trips should carry certain minimal basic equipment. This should comprise the following – a first aid kit, a torch, a parka/raincoat, hat, shirt 30+ sunscreen and at least 2 litres of water. Leaders may require that walkers carry other equipment. Advice of this will be given in Jilalan and/or by the leader.

MANAGEMENT COMMITTEE

All members are most welcome to attend a meeting of the Management Committee, but please contact the President beforehand. This means you can be advised of any change of date/venue. If you feel strongly about an issue, bring it along to the Committee Meeting and we'll put it on the agenda.

WARNING

All persons, adult or child, member or visitor, undertake all activities of the Club at their own risk. The club is not in a position to even state that all care will be taken.

REPORTS

President's Report

Happy New Year to all members.

In this magazine is the nomination form for the management committee positions, which become vacant at the Annual General Meeting in February. Please consider being on committee as the club operates best when many members help in its operation. It is pleasing to see the support from members who assist committee members in various activities such as socials and outings.

I have received from Ranger Ross Buchanan a written summary of his talk at a recent general meeting. His topic was managing national parks on the Scenic Rim. I have a number of copies, which I will bring to the next meeting. Those who would like a copy please see me.

December General Meeting

At the December meeting, Iain featured some of his paintings and gave a short presentation. Thanks to Iain for his contribution to the enjoyment of the meeting.

Outing's News

Leaders are reminded to contact Justin re the costing of walks and the emergency officer for their particular walk.

For insurance purposes, please notify the Outings Officer when you are carrying out a pre-outing for a club trip.

COMING WALKS

Tooloona Falls CCT
Sunday 23 January 2000
Day Walk

Leader: Justin Tobin (3366 3193)
Time: 6:30 am (Sharp)
Meet at: Red Hill Hall
Grade: L43
Cost: \$12.00
Emerg Off: Susan Tobin (3366 3193)

Tooloona Falls Circuit in the Lamington Rainforest with its cascades, falls and tree ferns is one of the prettiest O'Reilly track walks. The lunch spot at Wanungara Look-out over looking the Limpinwood Valley has views across to Mt Warning and Murwillimbah, before following the Border Track back to the cars to finish an enjoyable summer day walk of about 19kms. Come and join me on one of my favourite walks at O'Reillys.

Northbrook Gorge
Wednesday January 26th
Daywalk

Leader: Kerry Mulligan (3279 4490)
Time: 8am
Meet at: Coles Carpark, Ashgrove
Grade: S44
Cost: TBA
Emer. Off: TBA

This is a short walk (approx. 5km in length) but involves some rock hopping, scrambling and a compulsory swim. You will need to be a fairly confident walker.

Please bring plastic bags to put your pack in when swimming and a pair of joggers or similar to wear.

**Little Kings Collection
Sunday 13 February 2000**

Organiser: Gabriel Romaguera
(3356 9105)

Time: 8.45 a.m.

Meet at: Corner Appel and Verney Streets, Graceville
(Under the awning of the music store. Across from the railway station).

Grade: Easy

No cost!!!!!!!!!!!!

With the dawn of the new millenium, did you make any resolutions or feel any stirring to help others out more but haven't decided how to? Here is your solution. Do something positive and feel good within yourself by helping us to raise much needed funds for the Little Kings Movement for the Handicapped.

We spend a few hours in the morning door knocking in the Graceville area to raise money. The Graceville area is set aside for us each year so we know it well and there is always some experienced collectors from the club to help. If you haven't done it before, come along and help us out. We are looking for new faces. Its an easy morning for a good cause and afterwards we stop at a nearby coffee shop for lunch so it is a social day also.

Come along and make a positive contribution to the Little Kings Movement – a group dedicated to the wellbeing and happiness of those who are disabled or need the help of others.

**Binna Burra Basecamp
17/18/19 February
Basecamp**

Leader: Justin Tobin (3366 3193)

Time: 7:00pm

Meet at: Red Hill Hall

Grade: M33

Cost: \$20.00

Emerg Off: Susan Tobin (3366 3193)

Leaving Friday night to camp at Binna Burra should enable us to do two of the graded track walks as well as a relaxing Saturday night around camp telling stories, spinning yarns and boiling the billy.

Nominate for a weekend in the Binna Burra section of Lamington.

**Easter-May day
Sunday 22 April - 1 May
Leader Needed.**

For those able to take tree days annual leave and connect Easter with the May day long week-end. A suggestion has been made to visit Gibraltar Range - Washpool Area and Oxley Rivers National Park. Home of the Apsley Gorge. If you can go and want to organise this trip or visit somewhere else for the nine days just let John know as soon as possible. As just like Christmas, Easter is creeping up on us and isn't far away.

Hopefully the new calander is in this months magazine for your perusal and discussion at the meeting.

Somewhere here there is a walk for you.

Leaders and E/Os are always needed.

**FEDERATED MOUNTAIN
RESCUE**

The next training day will be in early 2000 and it will be advertised in Jilalan. BCBC endorses FMR as it provides members with opportunities to enhance their bush skills with training from experienced personnel and with the necessary insurance protection.

SOCIALS

Coffee Night

Wednesday 19th January 2000

Lower River Tee Kangaroo Point

(follow the narrow road around to the end in front of the cliffs)

Outdoor coffee night, bring along some goodies, we will provide the coffee & tea for a donation to St Vincent de Paul Society. We will be praying for a fine summers night!!

Wynnum Boardwalk

Saturday January 29th

Meet: Elenora Park, Wynnum North Espl,
Wynnum

Time: 3pm

This will be an interesting walk following the boardwalk along the shore through mangroves, there will be many species of birds to watch and sea creatures to learn about. An easy stroll back along the seafront to the best fish and chip shop in town. We will have tea and enjoy the sea breezes as sun goes down. Hope to see you there.

PAST OUTINGS *steph*

Byron Gorge

21st November, 1999 *Donna*

Ann Tracey

Six club members met up at the Gantry Day Rest Area in the Mt Mee State Forest. This area is so-named after the huge gantry crane, which was used in a sawmill on the site. The building is now being preserved as a part of history, and a plaque near the front gives some of the details of its past history.

We made a good start, taking both vehicles onto State Forest roads. We had a permit from the DNR for a Group Activity, a process which now no longer requires the registration number of all vehicles before the permit can be issued. Congrats to those responsible.

We left the cars at a spot called HAKEA, and set off down a 4WD track. At a tiny creek, we headed downstream to the top of a waterfall. The leader searched in vain for a sighting of a primitive plant (*Psilotum* sp) spotted here on an earlier trip. When offered the choice, the troops opted for the steeper, unsurveyed route down to the main creek and Matthew led the way.

We struck our destination creek right at the junction, and voted against a trip downstream for our first swim. (The weather was overcast and cool, which was a pity, as the day had been planned as a swimming trip.) En route up the creek, the men chose not to explore the dirty cave, but we women emerged victoriously out the other end.

Upstream were many opportunities for swimming, with great pools and a few lovely waterfalls, beside one of which we lunched. Only Justin (surprise, surprise!) and Matthew braved the cool water.

We continued past the point of Ann's earlier forays up the creek, to discover the best swimming hole just as the rain started. The rocks quickly became treacherous and we decided to scrub-bash on a compass bearing back to the road. We were just too late to save Matthew from a slide and a subsequently blackened toe.

On the road, we had to pass a washed-out section of the road, which gave us a good idea of the effort, which goes into maintaining these roads, and of the power of the water when it chooses.

We arrived back at the vehicles to find that sad news awaited Christine who was informed of the sudden death of her first husband that morning. Thanks are due to local residents Mick and Joan Osborne, who were the first ones to show me this section of the creek, and who made a special trip in to our cars to leave a message for Christine.

Thanks to Stephen, Matthew, Suzanne, Justin and Christine for being good company during the day.

PAST SOCIALS

Christmas Party We gathered under grey skies, grateful that it was nice and calm, no gale coming off the water. Santa's sack was starting

to fill, the billy was on the boil for a welcome cuppa and fish and chips from the local fish shop proved to be very popular. Not too many in the water today, it was just a bit too cold and those black clouds were looking pretty menacing. It was a pleasant afternoon as we caught up on walks news and Christmas plans. Just as we thought about walking around to see the new Jetty the heavens opened sending us all scurrying to cars and back to Max & Mikes to dry out and finish off the party. Santa found us after our relocation (that was lucky!!!!) and many nice presents were exchanged. A quick game of cards finished off a good afternoon. So much for the sunny day at the beach swimming etc, maybe next time!!! Thanks to all who came and special thanks to Santa.

OTHER ITEMS OF INTEREST

Reflection...

The Bushwalker's Prayer

Father, you have created the world, every ray of light, every flower, every view of the bush, makes us aware of your hand.

The early morning fresh with the dew or enveloping fog, the call of the magpie, the gusty wind does not deter us. Let our love of nature teach us respect of all living things, give us Lord a fine perception that makes us reverent before all creatures. Through the senses you gave us, we have come to know and love the bush. We look upon the mountains and valleys with awesome wonder.

We listen to the gurgling waterfall, the birds in the air, smell the fragrance of the wildflowers, and wonder at their fragile beauty. We caress the age of old rocks as we clamber among them and sharpen our senses with love of bushwalking. Lord make us one with nature. Preserve within us an alert soul, enthusiastic and youthful, which will never grow tired of hearing the song of nature. Let nature be for us a beautiful temple, which in every detail proclaims to us your presence.

Federation News...

A bush dance is being organised in early March at Morningside. There will be a Tassie Walk Show at the end of March.

Federation decided not to join the Queensland Outdoor Recreation Council at the last monthly meeting.

News from QPWS...

Mt Coonowrin has been closed to the public indefinitely due to the high risk of rock falls. The walking track has been closed. A geotechnical survey was completed in April.

Quote...

I believe that beauty and experience, loved lived through and begotten, enter into the structure that is one's being. Surely our purpose in this world is to enrich our spirits to take back to our creator a self which has learned of Truth and Light, for that is all we can take.

Elyne Mitchell 1942

Snippets from the Border Survey (NPA News)...

From 23 March 1863 to 17 September 1866, Surveyor Francis Roberts was engaged in marking the boundary line between Queensland and New South Wales, from Point Danger on the coast to the Dumaresq or Severn River. In the course of the task, Surveyor Roberts travelled through and over the future border ranges national parks. To give some idea of the difficulties under which Roberts worked, a snippet from one of his letters to the Queensland Surveyor General.

"Sir, I am now camped at Mt Gipps twenty miles east of Mt Lindsey and am working towards the coast to near Mt Rowland. From Mt Lindsey I cut and marked the line as far as Mt Glennie the face of which is a wall of rock,

whose top is quite inaccessible on the north, west and south sides, and the range itself unapproachable from that point to this place without great loss of time and labour in cutting through dense scrubs many miles in depth.

“To get here I had to run down to the Richmond River twenty three miles and up Findon and Gradys Creeks about forty miles. From this point I hope to be enabled to work easterly to meet Mr Rowland and westerly to Mt Glennie.

I have the honour to be your obedient servant F
E Roberts - Surveyor”
