- (b) Walk departures are usually from Red Hill Parish Hall, Musgrave Rd. Check "Jilalan" or phone the leader to determine the location.
- (c) The club will usually organise transport for each outing, but you must nominate in advance to the leader. Contacting someone else may lead to your nomination becoming "lost". - (d) Walkers are responsible for their own transport to and from the departure point.

Come along to our Annual General and February meetings, to find out about upcoming and previous walks and socials. Stay for a cuppa and a chat.

The meeting will commence at 7.30pm with doors opening at 7.15pm.

**About Members**

Congratulations to Kerry and Matthew.

They have a new daughter named Heidi.

Born 8-2-02 at approx 9.30am. 7lb 6oz.

Mother and daughter are both beautiful and well. Father and son are tickled pink.

Sam has returned to the QE II Hospital to receive physio for his leg to enable him to walk, which will be for a number of weeks. Louise has asked for your prayers. Louise also had a short stay in hospital recently.

Liz McCaul has been holidaying in Canada over Christmas-New Year.

Also Ann Tracey recently returned from a holiday to New Zealand. Lucky girls.

### Review of club membership

At the January meeting, two motions were discussed and put to the vote. Motion 1 concerned the membership classification of non-Catholics. There was a discussion on the motion where many members presented arguments for and against this important motion. A motion to delay the vote until the March meeting was defeated. Fourteen proxy votes were tabled. Both motions required a 75% majority to pass.

Motion 1 was defeated with 22 votes in favour and 14 against.

Motion 2 was passed with 33 votes in favour and 3 against. The new By-Laws are:

#### BY-LAW 01. General Meetings

01.01 The general meeting of the Club shall be held on the third Monday of every month at a location approved by the management committee.

#### BY-LAW 16. Activities Transport

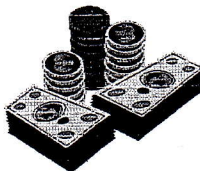

16.01 All activities shall depart from locations approved by the management committee.

16.03 Members/visitors are responsible for their own travel to and from the designated point of departure.

My thanks to the members of the club's committee and the working group whom assisted in preparing the motions and putting them to a vote. Also thanks to members who attributed to the discussions.

John

## OUTINGS NEWS

### **Calendar 2002**

The calendar to September is included so that members may know what walks are coming up.

Leaders are reminded that Matthew has maps for most areas. So give him a call to get one.

### **INFORMATION FOR VISITORS**

All visitors who have participated in more than three walks and yet are to become a member must sign the 'Assumption of Risk

## COMING WALKS

### Box Forest/Elabana Falls, Lamington National Park.

**Leader:** Mary Nolan Ph (3355 6851)

**Date:** 24 February

**Cost:** \$15

**Grade:** M 3 3

**Meet:** St Brigid's Car Park, Red Hill

**Time:** 7.00am

**Emerg Officer:** John Carter. (3290 3621)

We will start on the Border Track, then branch off to the Box Forest Circuit.

The Main feature of this walk is the impressive stands of smooth pink-barked brush box (*lophostemon confertus*) which can be seen on the way to the Falls.

The track slopes down gradually, but is narrow in places, so care is needed. Down in the creek area we will stop to look at several waterfalls and enjoy lunch at one of these falls.

Our exit route will be via Elabana Falls and Picnic Rock. Total distance is 10.6 km.

Bring hat, sunscreen, insect repellent, water, lunch. Join me for a lovely cool walk.

Mary Nolan

## Tinchi Tamba Wetlands

**Sunday 3 March**

**Leader:** Maxine 3203 4699 or 0403199349

**Meet at:** Tinchi Tamba wetlands, Bald Hills

**Time:** 7am

**Grade:** easy.

**Cost:** **FREE**

This should be our last year for cleaning out this unique wetland area. We have spent a number of years, collecting and removing rubbish that had been left on the edge of the Pine River and Wetland area. We will complete our task by cleaning the mangrove area on the edge of the Pine River and I look forward to your company and help.

Cool drinks and morning tea provided. Please bring old clothes, and the usual hat, sunscreen and water. BBQ lunch at deep water bend if we have enough people. Maxine.

## Breadknife, Conondale Ranges

**Sat 16/Sun 17 March 2002**

**Overnighter**

**Leader:** Greg Endicott (3351 4092)

**Meet at:** St Brigid's Car Park, Red Hill

**Time:** 7.30pm

**Cost:** \$20 includes camping fees.

**Grading:** M65

**Emerg. Officer:** Carol Kelly  
3269 4795

The Conondales are in the highlands behind the North Coast. The area is a haven of rainforest along the creeks surrounded by eucalypt forest. There are many creeks flowing into the 2 main ones – Booloomba and Little Yabba.

You will camp at the Booloomba Camping Ground over night. Have dinner at home before you start out; you will need a good long sleep Saturday night. In the morning,

the party will follow the little Lobster Creek up to its headwaters – yes, you may be able to see a freshwater lobster or two if conditions are right. This is a pretty little creek, with rock slabs in sections, small rocks most of the way, water flowing most of the time and lush deep green rainforest types of plant-life coming down to and overhanging the banks. There will be a couple of waterfalls to climb around. You will be rock hopping, running along the slabs and going along through the rainforest banks during the day at different times.

At the top, we get out of the watercourse, and head up to the top of the ridge. From here, we are in the full daylight, though at this point there are not long views. Then there is a stroll around to the Breadknife – a tower of rock that sticks up in the middle of the junction of 2 creeks, like a giant index finger pointing to the sky. The group will carefully climb this. At its feet are several good deep pools, scoured out of the creek floor by millennia of floods.

After a short rest here, the team will head up an open eucalypt ridge and follow its crest. There are full views from this across Booloomba Ck – overlooking the winding creek far down below, seeing the dark rainforest along its banks and looking at the forest climb on the steep ridge to the crest opposite. Once we are far enough along our ridge, we will descend into the creek near the old gold mine – it we get there near dusk, we will see thousands of little bats exiting for a night's feeding. Stand back or they will take you with them! Then it is a matter of following the graded track back to camp, again through dense rainforest.

We should get back late in the afternoon – I have planned a full day for you. The trip is long; there is a mixture of territory – creek rocks, rock hopping, clambering up beside waterfalls, going up ridges and down a steep grassy ridge back to the creek. A rewarding day for you who come. Bring sun protection, a torch, 1 ½ lunches, hat,

camera, a sense of humour and wear comfortable footwear with good grip.

You will have to pay the camping fee upon arrival - at the honesty box in Booloomba Camping Ground. Unlimited spaces available. Don't let the lack of a tent stop you – a spot can be arranged when we see who nominates. Transport will also be arranged then.

Greg.

**St Helena Part 1.**

**Our Goal** - A MOONLIGHT CRUISE TO ST HELENA, A WALK AROUND THE ISLAND, A NICE DINNER AND SAIL BACK AGAIN.....

**THE REALITY:** A very wet wait on the jetty to find out that the skipper had had an

accident and had to be taken to hospital. Standing there, waiting for someone to tell us if we were going or not. The weather didn't help either. Later found out that skipper had broken his ribs in the fall. Staff were attending to his needs so that's why we weren't told anything. The weather STILL didn't help.

We then went to Grace's Café for fish and chips and then onto Elizabeth's for coffee.

Thankyou to Matthew, Majella, Mark, Barbara, Mary Nolan, Greg Miller, Terry, Gabe, Liz Little, and Michele for braving the elements and a big thankyou to Elizabeth for inviting us for coffee.

We **ARE** going to attempt this outing again. Stay tuned.....

**NOTE FROM THE EDITOR**

If you love something, set it free  
If it comes back, it was and always will be yours  
If it never returns, it was never yours to begin with  
If it just sits in your living room and  
- messes up your stuff  
- eats your food  
- uses your telephone  
- takes your money  
- and never behaves as if you actually set it free in the first place.....

you either married it or gave birth to it! -  
Da dum!

Could everyone **please** have their articles for the magazine, to me by the 1<sup>st</sup> of every month. Your co-operation with this, ensures smooth sailing with the magazine. I would prefer articles to be emailed or sent on a disk if this is possible, but handwritten articles are ok too. Thanks everyone.

### OTHER ITEMS OF INTEREST

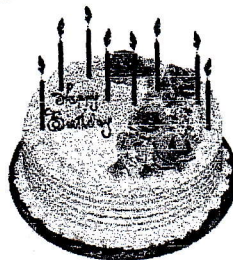

#### Cuthbertson Peaks

Some of you may be aware that some years ago there was a proposal by Brisbane Bushwalkers Club to name the double knoll located between Mt Doubletop and Spicers Peak in Main Range National Park as "Cuthbertson Peaks", in honour of the late Jim Cuthbertson who was well known in bushwalking and conservation circles for the Scenic Rim for some 4 decades until his death in 1993.

I have only just found out that this was processed and approved on 12 January 2001, almost a year ago. Accordingly, "Cuthbertson Peaks" is now the official place name for this double knoll. Those people who knew Jim - a simple dignified man with a great interest in natural history and the Scenic Rim - will no doubt appreciate how fitting it is that his name will always be associated with this landscape.

As well as being proposed by BBW, the proposal was officially supported by both the QPWS and the RACQ. Jim worked as a cartographer for the RACQ for many decades. Those of you who remember the original black and white RACQ road maps from the 1960s and 1970s - well, Jim produced those (showing my age, aren't I).

My thanks to BBW for pursuing the proposal and to DNR officials for progressing it.  
Cheers, Ross Buchanan

### HAPPY 50<sup>TH</sup> BIRTHDAY TERRY!!!!!!!!

Terry, the Club wishes you all the best on your 50<sup>th</sup> Birthday. Hope you had a great day!!!!!!!!

#### TERRY'S TRUSTY DATSUN

It rattles and it splutters and the doors are rusting through,  
And it's thirty years or so since that little car was new.

Terry says it thrives on neglect, and it rarely has a service,  
And passengers could be forgiven, for being a little nervous.

But the trusty little car, seldom misses a beat,  
As it pulls out of the driveway, and totters up the street.

The little mascot on the dash is a little worse for wear,  
And mirrors the car's condition, which is best, described as fair.

It's an experience in itself to be seated in the car,  
And it's travelled to many a bushwalk, sometimes very far.

It motors along the highway, and travels the outback,  
And stopped at many a roadside stop for a coffee and a snack.

Although the little Datsun, it rarely overtakes,

Every now and then it passes later model makes.

Almost a quarter of a million miles and still it's going strong.

A fine example of a Datsun, that's worked so hard and long.

Terry's Trusty Datsun just keeps on getting better,

If it lasts another twenty years, the Queen may send a letter.

Then Terry will be almost seventy, and reminiscent of the past,

And scoffing at the critics who said his Datsun wouldn't last.

You can bet Terry's Datsun won't join the graveyard in the sky,

Where Falcons and the Holdens and the Volvos are piled high.

The little Trusty Blue, may well become a National Treasure,

And is already quite well known for its - pure driving pleasure.

So when next you see a Datsun, that's rusting through the sills,

And a driver behind the wheel who is heading for the hills.

It may be Terry and his Datsun, cruising up the track,

On the way to another bushwalk with the city to his back.

It's probably heading south, towards the Scenic Rim,

While the city's still asleep, - and the light is dim.

Ferrying faithful passengers to their rendezvous,

A true and trusted friend, is the Little Datsun Blue.

## LETTER TO THE EDITOR

Note of Sympathy to Associate members

I would like to express my sincere sympathy to all the Associate members in this club who are disappointed and hurt regarding the unsuccessful vote to have their right to vote approved.

During the discussion on the vote the whole purpose of my proposal or idea of drawing up a charter was to enable associate members having the right to vote. I still perceive this to be an injustice - on the form of discrimination against them - by not having the right to vote. In this charter I would like to see a protective mechanism set up so that not only are the valued Catholics traditions upheld now and in the future; but most important that the whole purpose of this exercise should be to see that associate members are no longer discriminated against and given their just right to vote.

I need your encouragement, support and input to see if this charter proposal can help bring to fruition the union we all long for  
Jonus Bernotas.

**The Club sends their best wishes and all our prayers to Louise and Sam, during their hospital stays.**  
Carol.

### Lost Property To the Club President

Would you please pass this message on at your members? Yesterday, 13/01/02 I found a pair of near new bushwalking boots in the forest while on a walk.

If anyone has lost a pair email me at [declauze@ozemail.com.au](mailto:declauze@ozemail.com.au) with a description so that I can return them to the rightful owner.
