JILALAN

Articles for "Jilalan" should be posted to Cecilia Doherty 2/32 Stanley Terrace, East Brisbane. Please note there are different deadlines for submitting articles on paper and on disk as shown in the monthly calendar. The Editor is currently using MS WORD 6.0 but can convert from most programs. Please submit a hard copy of the article just in case there are problems with your disk.

GENERAL MEETINGS

Meetings are held on the 3rd Monday of every month, at 7.30 p.m (although they usually start about 15 minutes later). The location is The Little King's Centre, 33 O'Keefe Street, Buranda. Contact the President for details. **VISITORS are always welcome**.

OUTINGS

- (a) Always read the Jilalan article to check the departure point, date and time.
- (b) Departure of walks is usually either from the rear of the Cathedral in Charlotte Street or at Sullivan & Nicolaides (134 Whitmore Street, Taringa enter via the upper driveway and drive down to the upper level of the carpark). Check "Jilalan" or phone the leader to be certain.
- (c) The Club will usually organise transport for each outing, but you must nominate in advance to the leader. Contacting someone else may lead to your nomination becoming "lost". Nominations should preferably be made by the Monday prior to the activity (Wednesday at the latest) so that transport etc. can be arranged. Note that nominations for some walks may close well in advance of this. Late nominations may not be accepted.
- (d) Walkers are responsible for their transport to and from the departure point.
- (e) Walks are rarely cancelled if they are, all nominees will be notified. Should you change your mind and decide not to come to a club event, please notify the leader as soon as possible.

EMERGENCY OFFICER

If, within the hour prior to an outings' departure, you can't make it or you are running late, phone the number shown in the "Jilalan" for the Emergency Officer for that outing. If you have not returned from an outing by 9.00 p.m. your family may ring the Emergency Officer - but please don't panic.

EQUIPMENT HIRE

The Club has some tents and through-walk packs to hire to visitors and newer members. Borrowers are responsible for collecting and returning equipment, as well as making good any loss or damage over and above normal wear and tear. Hire rates - Packs \$10/weekend, Tents \$5.00 - Deposit of \$20 required.

PERSONAL EQUIPMENT

The Association requires that certain minimal basic equipment should be carried by all walkers on all trips. This should comprise the following - a first aid kit, a torch, a parka/raincoat, hat, shirt, 15+ (or suitable value), sun screen and at least 2 litres of water. Leaders may require that walkers carry other equipment. Advice of this will be given in "Jilalan" and/or by the leader.

MANAGEMENT COMMITTEE

All members are most welcome to observe the next meeting of the Management Committee. You are very welcome to attend the meeting but <u>please contact the President beforehand</u>. This means you can be advised of any change of date/venue. If you feel strongly about an issue, bring it along to the Committee Meeting and we'll put it on the agenda. The dates of future Committee meetings have also been listed in Jilalan.

WARNING

All persons, adult or child, member or visitor, undertake all activities of the Club at their own risk. The Club is not in a position to even state that all care will be taken.

Cost:	\$3.00 from O'Reilly's
Emerg. Officer:	

This is a short scenic walk on the day of the O'Reilly's dinner. As some people may be going up Friday night to camp and others arriving Saturday morning, there will be no meeting place in Brisbane.

For those who need transport, phone me, and I will try to put you in contact with someone who can take you up and bring you back. The walk is partly on fully graded tracks and partly on less defined tracks. From Lyrebird Lookout we are on the edge of a ridge overlooking the left branch of the Albert River with views of the Lost World, Mt Widgæ and Mt Throakban. We then continue along the ridge with views from Orchid Grotto Lookout and Moonlight Crag lookout.

Lunch will be at either Balancing Rock or, for the more adventurous, Castle Craig which has magnificent views all the way to the Main Range. There is a short tricky rock section to get to Castle Craig but there will be many helping hands to assist.

The return to O'Reilly's will be via the Red Road, with plenty of time for a hot shower and a rest before the dinner.

Sunday August 10 1997 <u>Toolona Creek Circuit</u> (Day Walk)

	National Park)
Cost:	\$3.00
Emerg. Officer:	: Anthony Dolan (3343 4116)
Grade:	L 1 3

We decided to change the walk from Box Forest Circuit as this walk is longer at 17.4 km and it is a while since the club has done it. A good walk for visitors - the only matter to consider is the distance. The circuit branches from the Box Forest Circuit near Elabana Falls, then follows Toolona Creek past its headwaters to emerge on the Border Track near Wanungara Lookout. There are many waterfalls and cascades along the way. It is an enchanting walk with an attractive beech forest and Mt Wanungra if we have time, offers excellent views of Mt Warning. The return trip is by the Border Track passing Toolona and Bithongabel Lookouts. For the partygoers, it will be a reasonable walk to help recover from the revelry of the Annual Mass and Dinner the night before. If you can't make it to the dinner, please come for the day and we'll see if we can arrange a car pool from Brisbane for you.

If you come along to the Barney Mass this year, one of your walking options will be the ascent via South-East ridge.

This route takes you "directly" to the top of Barney's East Peak. Along the way, you will get some excellent views to the south. Most of the technical challenge of this walk is in the last hour of the ascent with a bit of climbing and clambering required. However, if the day is fine and dry, these sections can be negotiated reasonably comfortably.

Lunch on East Peak is always a very satisfying experience. After drinking inthe views, we'll then take our bearings and head down to the saddle to join in the celebration of the Club's annual Mt Barney Mass. Come along and be part of this great Club tradition. Nominations greatly appreciated. Please indicate whether you'll be camping on the Tuesday night or arriving (early!) on the Wednesday morning. We commence the trek at 7.30 a.m. Wednesday and will meet up with those from South East Ridge before celebration of Mass in the wild rugged surrounds of the Barney Masiff.

Those who would like to join us on Wednesday morning are welcome to set an early alarm in order to do the walk with either group.

Outstanding views and a variety of graded track and off track walking characterise this walk through Lamington National Park. We will commence strolling down the rainforest driveway to Lukes Farm to cross open paddocks on our way to Lukes Bluff. We continue along the Western cliffs (northern section) overlooking the Kerry valley with widespread views from Flinders peak in the north to Mt Chingee in the south. We will cross over the top of Horse Shoe Bluff falls and the Raining Cliffs as we visit Pats house one of the historic sites left by the early pioneers. Onto Pats Bluff, Python Rock and Morans falls. Here we travel along a road and up to Castle Crag. We will return through beautiful rainforest along the Wishing tree track back to O'Reilly's Guesthouse. Adventurous souls in the group might like to climb Mick's tower before having a coffee at the cafeteria. On a true winters day the walk will be superb. I hope you can come.

ANZAC DAY 25 April 1997

an Memorial Service at ANZAC Square at 5.18am

It was a cool morning when 8 of us met at the rotunda in Ann Street to hear the 1997 ANZAC Memorial Service. We were surrounded by a crowd of thousands for a very moving service.

..... Breakfast at Kangaroo Point

After leaving the city, we re-grouped at the base of Kangaroo Point and after warming ourselves with some rum toddies, a delightful breakfast was cooked up on the barbecue. Others, who found the dawn service toooooo early for them, joined us for a late breakfast.

From our vantage point we watched the city wake up. It was an amazing sight.

We spent a few hours here before heading off for the BIG BIKE RIDE.

Bike Ride to UQ and back

At 9.30am a group of 12 left Kangaroo Point on our bikes. We headed off through Southbank, across the Victoria Bridge and along the bike track to Toowong. Once at Toowong, we followed the bike track through the back streets to the University grounds. We found a good spot to rest by the lake. After a short break and toilet stop, we were off again for the return journey. We arrived at the new ferry terminal only to find that the ferry couldn't fit us in and it was going the wrong way.

At this point Greg was hoping to swap his very some blke seat for the car seat. Michelle had driven the car from the university around to West End in anticipation. Sorry Greg.

We flew back along the track the way we had come and arrived back at Southbank in one piece. Well nearly anyway. Some had the usual coffee stop while other headed home. It was a relatively uneventful trip except for the time when Stephen ran into the post and fell off, Liz Little's front wheel fell off (luckily we were stopped at the time) and Greg's very, very sore b...side.

An ANZAC Day well spent - Thank you. Elizabeth

COOCHIEMUDLO SAFARI Sunday 22 June 1997

With \$2.50 in hand we boarded the ferry for a very fast 2 min. crossing to Coochie. After a short coffee rest we ventured out under inclement skies to walk along the southern Main Beach and then around to Norfolk Beach on the eastern side. Light showers began to fall and as it became heavier we left the beach and entered the Melaleuca shrub. One heavy downpour saw us sheltering under a large tree for quite some time. We ate our lunch under shelter at the Morwong Beach picnic area and returned to Main beach through centre of the island.

We then headed out toward the s/w corner of the island where we found the 'Red Rock'. Coochiemudlo is an aboriginal name meaning 'red rock' symbolised by a steep bank on the s/w corner of the island. The rest of the island is fringed by clear blue water and golden beaches.

By mid afternoon the weather had fined up and we left Coochie under a clear blue sky for another drink stop back on the mainland.

Thanks to Mum & Dad and brother Gabe for a lovely day. I hope our 3 visitors, Kathleen, Greg and Michael also enjoyed their day. *Elizabeth*

Trev's Inaugural Fishing Competition -1997

Held on Saturday 31 May 1997 at the Northern End of Old Hornibrook Bridge

By 4.30 - 5pm we had a fishing contingent of about 15 throwing their lines off the old Hornibrook Bridge. The remaining 7 chose to walk the length of the bridge - a distance of 6 kms return.

Trev, the true fisherman, started early at 1pm. Red slivers of squid, worms and other secret baits were selected by the contestants to enhance their chances of catching THE WINNER. The

competition was fierce and there were a few tense moments.

Concentration was taken away from the fishing for a short time to watch the glorious sunset but by the end of the day, the total sum of fish caught was:

1 undersized Brim (thrown back of course and not in contention) and a rather large number of toad fish, which were unhooked, kissed and thrown back.

The competition closed at about 6pm and we moved across to the picnic area at Woody Point for a BBQ tea followed by the Presentation of Prizes.

Prizes were awarded for, and won by :-

BIGGEST FISH AWARD Thomas Chadwick (Maxine's Grandson)

BOOT AWARD Cliff Harrison - for the one that got away - it really did, I saw it!!!!

A special thank you goes to Jim Hall (Carol's Dad) who put his time and effort into the making of the Biggest Fish Award and to Trevor for supplying and polishing the 'boot'.

Thank you to all the participants - fisherpersons and onlookers - and I look forward to seeing you all at next year's award - *TREV'S FISHING COMPETITION - 1998.* Elizabeth

Fraser Island Throughwalk 6-9 June 1997 by Justin Tobin

Monday afternoon looking back on Fraser from the barge, leaving behind an Island paradise but taking with us three days of wonderful walking, fun, friendship and new discoveries. The journey through Fraser's Central -Northern Lakes, White, Bowraddy, Allom, Boomerang, Coomboo and Hidden Lakes and out through the Yidney Scrub was magic indeed. We will return.

To those who shared this great weekend of walking with me - June, Gabriel, Pat, Maxine (who believes who dares wins), Trevor, Iain, Anne and Terry whose driving made the trip possible.

Thanks very much Justin.

AWAY FROM IT ALL

Oh, let me discover an island Untouched and uncluttered, and pure, A haven from all demonstrations, From smouldering hatred, and war. With a clear, lovely view of the heavens, That no one may grasp and destroy, My own special Garden of Eden, With simple and "close-to-God joy". Where sea-birds fly high o'er the ocean To float on the breeze in their glee, Then, settle to rest when they're wearied To be rocked in the arms of the sea. Where the "rat-race" of modern-day living, Shares no part of this haven I've found, Where the hype of a thousand tomorrows, Is born in the wonders around. Where butterflies flirt with the flowers, And when comes the night ... way up there The stars hang, suspended from Heaven, Like diamonds to touch if I'd dare. No "keeping-up-with-the Jones." That tired, worn-out game "Let's Pretend", To be loved for one's own simple virtues, and no "dangling strings" to a friend. No discord, no noise of the city, No discontent born out of greed, Just peace, perfect peace, and fulfilment, No crazy demands one must heed. Oh, let me discover my island, Where trees tower stately and tall, To escape, in one Heaven - sent moment, And ... just get away from it all!

Sadly, this walk did not go out as there were no nominees for the day. A total of four enquiries were received for the walk with only one possible who would have joined me for an enjoyable day. I would like to thank my fellow bushwalkers Ed and Cathy Thistlethwaite for their great assistance on the pre-outing, and to the four persons who made enquiries. My apologies to Mary Cartwright for not being able to continue with the walk.

Pine Rivers Rample 24 May 1997 by Maxine Brophy

It surely was a sight to be seen, twelve BCBC walkers dancing the "Mozzareni" beside the Pine River! The guard dogs at the Paper Mill paled as we took on the huge swarms of mozzies.

Our day had begun at Northgate Station as we joined the train carrying home the all night revellers from the city. We set out from Petrie Station in the early morning light and were soon over the fence and passing the "Petrie Ponds" (not Golden Pond) covered in dozens of species of waterbirds including a family of Black Swans out with their tiny cygnets and all oblivous to their place of abode. A camera shot for the enthusiasts - the happy group standing in front of a pond covered in thick white ... snow???

A bit of a scrub bash down at the bottom of Barry's Garden at John Oxley Reserve and time for a snack but no Barry to join us for a cuppa - he was out on Central Traverse with Ed. We enjoyed the sights on the River - bird life and fishermen and a contingent of Army Reserve sweeping up the River - a bit premature - we weren't lost yet!

We rambled on beside the Pine River to meet the highway and made a rather hair raising crossing beside the traffic, and coming down on to Tichi Tamba Wetlands. A quick head count and all the group were safely across. We were lucky enough to enjoy a bird's eye view (no pun intended) of the "Osprays" up guarding their nest and today they were busy fending off annoying crows, trying to attack their young. The nest has been in the dead tree for many years and is quite prominent out in the open.

We toddled on over the wetlands crunching on salt bush and enjoying the peace as the distant sounds of the Gateway traffic faded away.

Early lunch at Deepwater Bend with many delicious goodies shared around and a belated Birthday Cake for Christopher quickly consumed.

A short walk on the newly laid boardwalk before crossing the fields to the Bird Hide to shelter from a heavy shower. A bit of searching and we found the spot to cross Bald Hills Creek. Lilo inflated and old gear on, we scrambled through the mangroves to find a brave few already in the water, with others following fast as yours truly tried in

vain to offer a ride across on the lilo! Getting out the creek proved a problem as one by one we sunk deeper into the soft mud and with much hysteria tried to remove Liz Richards from a difficult position.

Progress at last and we made our way out to the clearing. It was a sight indeed - wet muddy bush walkers carrying large suspicious looking garbage bags across the mud flats to the local park for a welcome clean up.

Next stop was the third lagoon at Sandgate - a tranquil place in the middle of suburbia. Aboriginal art work has been carved and a corroboree formed beside the Lake. We followed the bikeway down to the second lagoon abundent with bird life eager to be fed.

Footsteps hastened as we neared the first lagoon and the call of the cafe down on the seafront came to us. Twelve thirsty walkers enjoyed afternoon tea and a chat before catching the train back to Northgate and our cars. A great day with lots of fun - thank you to everyone who joined us including Jeff and Eric - new walkers and for the generous help and planning of the walk by Justin.

Cheers - Maxine.

Walkers were Majella, Chris, Justin, Louise, Christine, Eric, Gabriel, Nathan, Ray, Jeff, and Elizabeth (Richards).

Binna Burra to O'Reilly's Central Traverse (Overnighter) 14-15 June 1997 by Ed Thistlethwaite

Twelve members made this journey leaving the Information Centre at 7 a.m. We followed the track to Gwongoorol Pool, crossed the Coomera River and proceeded up the eastern face of the Darlington Range. Shortly, we came to remnants of the old Illinbah Track where the leader was persuaded to follow this rather longer route to Fountain Falls. (On the pre-outing, Barry and I tracked up through the scunge to the top of the Darlington and then along the crest to Noowongbill From here, some pathfinder accuracy on Lookout. Barry's part took us down between steep cliffs and a goat ledge to join the old Illinbah Track (near Fountain Falls). Several people on the walk required assistance at the goat ledge and thanks to Jon Brunott all crossed safely. We had lunch at the idyllic surrounds of Fountain Falls. After lunch we proceeded up Middle Ridge to the cairn, along the ridge and down to the Stairway Falls track near Blue Pol. From here, we followed the graded track back to O'Reilly's all arriving there before last light. On the preouting, it became dark half way along the graded track and when one torch bulb packed it in we made it through on the light from one torch. Thanks to Richard, Patricia, Ray, Perine, Barbara, Suzanne, Jon, Ken and Paul Smith and to Barry, Richard and my son Ed for driving. Ed
