**GENERAL MEETINGS**

Meetings are held on the 3<sup>rd</sup> Monday of every month, at 7:30pm. The location is **St Brigid's Parish Hall, Musgrave Rd, RED HILL. VISITORS are always welcome.**

**OUTINGS**

- (a) Always read the Jilalan article to check the departure point, date and time.
- (b) Departure of walks is usually either from Red Hill Parish Hall, Musgrave Rd or at Sullivan & Nicolaides (134 Whitmore Street, Taringa – enter via the upper driveway and drive down to the upper level of the carpark). Check "Jilalan" or phone the leader to be certain.
- (c) The club will usually organise transport for each outing, but you must nominate in advance to the leader. Contacting someone else may lead to your nomination becoming "lost". Nominations should preferably be made by the Monday prior to the activity (Wednesday at the latest) so that transport etc. can be arranged. Note that nominations for some walks may close well in advance of this. Late nominations may not be accepted.
- (d) Walkers are responsible for their own transport to and from the departure point.
- (e) Walks are rarely cancelled – if they are, all nominees will be notified. Should you change your mind and decide not to come to a club event, please notify the leader as soon as possible.

**EMERGENCY OFFICER**

If, within the hour prior to an outing's departure, you can't make it or you are running late, phone the number shown in the Jilalan for the Emergency Officer for that outing. If you have not returned from an outing by 9:00pm your family may ring the Emergency Officer – but please don't panic.

**EQUIPMENT HIRE**

The Club has some tents and through-walk packs to hire to visitors and newer members. Hire rates – Packs \$10/ weekend, Tents \$5:00 – Deposit of \$20:00 required.

**PERSONAL EQUIPMENT**

The Association requires that all walkers on all trips should carry certain minimal basic equipment. This should comprise the following – a first aid kit, a torch, a parka/raincoat, hat, shirt 30+ sunscreen and at least 2 litres of water. Leaders may require that walkers carry other equipment. Advice of this will be given in Jilalan and/or by the leader.

**MANAGEMENT COMMITTEE**

### COL MCLELLAN

Foundation member, Col McLellan passed away on 24 June, 2001. Col and his wife Maureen (and her sister Margaret) were on the first Club trip on 1 December 1957 – not knowing one another at that stage.

They went on to become foundation members and Col became the Club's first Treasurer. Col and Maureen also went on to become husband and wife and enjoyed being active bushwalking members of the Club. Col's work took him to Sydney, however his interest in the Club and bushwalking in general never waned. When the Club celebrated its Silver Jubilee in 1982 Col wrote the first part of the Club's history (**Tall tales and True included in this Jilalan. See back of magazine**)

The Club offers its sympathy and prayers to Maureen and family on the loss of a great man.

Col had a great love of South East Queensland where he did all his early walking, and in accordance with his wishes, his ashes will be scattered from the saddle of Mt. Cordeaux on **Saturday 15 September.** The McLellan family will travel from Sydney and would be delighted to have members pay their respects to one of the Club's founders.

**Meeting time at The Cunninghams Gap car park is around 10.30 a.m. on 15 September.**

Should you require more details, contact Maureen McLellan (02) 4868 1132 or Pat Lawton – 3366 1956

Mt Coolum is a prominent landmark on the Sunshine Coast and is interesting from a geological viewpoint with basalt columns on its cliffs. At 208 metres high it also has about 700 species of plants and wildflowers which should be in flower at this time. There is a 360 degree view from the top looking out to Double Island Point, Moreton Island and across the canefields and wetland areas of the Maroochy River valley. After lunch we will go to Stumers Creek at Peregrine Beach and may stroll through Noosa National Park or just swim. Bring lunch, water, snacks, hat, sunscreen (the track is unshaded), togs, towel, camera and binoculars. Come for the view and a lovely day.

### PRAYER FOR PEACE

Lord make me an instrument of your peace;  
Where there is hatred, let me sow love;  
Where there is injury, pardon;  
Where there is doubt, faith;  
Where there is despair, hope;  
Where there is darkness, light;  
And where there is sadness, joy.  
O divine master, grant that I may not so much seek to be consoled as to console;  
To be understood, as to understand;  
To be loved as to love;  
For it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

## **PAST OUTINGS**

### **Mt Mathieson Trail Spicers Gap Overnighter**

We travelled down Spicers Gap campground and arrived at about 5.15pm to meet Elizabeth who had set up camp and also Mike Wood and his family, as well as Nora Henry and David Bayley.

We set up camp and paid our fees, cooked and ate hearty meals then gathered around the fire. Nightfall was upon us, no moon, but millions of stars. The Milky Way was clearly evident, the Saucepan, and the Southern Cross, there was not a cloud in the sky, and barely a breath of wind. We picked out a satellite orbiting the earth. What a spectacular natural light show the stars gave!

It was approaching 7 pm before Justin, Iain and Matthew arrived back at camp looking a little worse for wear after 12 hours walking. We said goodbye to Matthew and Iain who headed back to Brisbane.

We sat around the campfire again chatting, and munching on chocolate and sipping on port, for some time before turning in. a big day was ahead of us for we were doing the Mt Mathieson Trail.

After a cold night we rose to another brilliant day in the Great South East and had breakfast. A pair who shall remain nameless were a bit tardy getting out of bed and the scheduled start off of 8.30 was moved to 9 o'clock and we eventually set off to the day picnic area which is the start of the walk.

We found the Mt Mathieson Trail is a very pretty walk punctuated by rainforest and excellent views of Mt Mitchell, Mt Cordeaux and the Ramparts. The whole area has a very interesting history behind it with evidence of logging and the way early engineers designed and built roads and it was interesting to note there was even a grand plan for a railway through Spicers Gap. We passed a couple of old jinkers before arriving at Governors Chair for a superb view across to Moogerah in the east and surrounding mountains and in the distance to the south you could pick out east and west peaks of Mt Barney and Mount Maroon.

Mike, Majella, Mark and Rachel followed the track further around to the beginning of the climb towards Spicers Peak and then turned back. Elizabeth, Daniel, Nicholas and myself headed back along the old road back to camp by about 1 o'clock. A pleasant Sunday Stroll. We had a bit of lunch and it was back to the Big Smoke with a great weekend had by all.

Thanks to all who came and enjoyed the weekend.

Trevor.

## ♦ ♦ Vice President's Thought for the Month ♦ ♦

Please remember Sam Leonardi in your prayers, and also Joe Finn's mother, and Jonas Bernotas' mother who passed away recently. Please remember them in your prayers.

Also, could you please remember to say a few prayers for the family of the Bushwalker who died recently at Spicers

**The Bushwalker's Prayer**

Father you have created the world, every ray of light, every flower, every view of the bush makes us aware of your hand.

The early morning fresh with dew or enveloping fog, the call of the magpie, the gusty wind does not deter us. Let our love of nature teach us to respect all living things. Give us Lord a fine perception that makes us reverent before all creatures. Through the senses you gave us, we have come to know and love the bush. We look upon the mountains and valleys with awesome wonder. We listen to the gurgling waterfall, the birds in the air, smell the fragrance of the wildflowers, and wonder at their fragile beauty.

We caress the age-old rocks as we clamber among them, and sharpen our senses with love of bushwalking. Lord makes us one with great outdoors. Preserve in us an alert soul, enthusiastic and youthful, which will never grow tired of hearing the song of nature. Let nature be for us a beautiful temple, which in every detail proclaims to us Your Presence.

## TALL TALES AND TRUE FROM OUR LEGENDARY PAST

When Father William Hayes was assigned to the Parish of Yeronga from the mountain-studded Parish of Beaudesert, he took with him the deeply rooted love of the outdoors that had first been ingrained in him by the lush, green fields of his native Ireland. Happily, he discovered an equal enthusiast in his new parish and one day was discussing the striking appeal of a high mountain peak named Mt. Barney with him. This mountain was situated in the Rathdowney district and the two of them decided that, whenever parish duties would allow, they would endeavour to visit some of these places, and thus began the association of Father Hayes and Raoul Mellish, the actual founders of the Club.

Raoul was already an experienced bushwalker with a special attachment for the Glasshouse Mountains. Early in September 1957, the two organised a visit to the Glasshouse district and ascended Mt. Beerwah of that group. After the climb, tea was taken by the banks of a large pool on the north western side of Mt. Tibrogargan. As the shadows lengthened and the normal friendly sounds of the bush slowly died away with the advent of evening, they thought with satisfaction of the achievements of the day. Later with pipes lit, and filled with the peace that comes from watching the embers of the camp fire slowly ebbing and dying, they thought how relatively few people were aware of the satisfaction to be obtained from bushwalking and of the satisfaction to be obtained from bushwalking and of the many more who had never been given the opportunity of participating in organised trips.

Inspiration came soon after. Why not form a Club, a Catholic Club to cater for both the spiritual and material needs of bushwalkers? It was true that bushwalking

clubs existed already, but normally these clubs attracted people who were already enthusiasts of the open air way of life. A Catholic club would tap a reservoir of young people who would only realise the benefits of such a club after they were already in it.

Father Hayes wrote to Father Coughlin, Chaplain of the Sydney Catholic Bushwalkers, and obtained a copy of that club's Constitution. Armed with this document, and their own infectious enthusiasm, Father Hayes and Raoul Mellish called on Archbishop Duhig and, after explaining the proposed details to him, received permission and encouragement from His Grace to set about organising the club.

On the last Sunday in October 1957, a short notice in the Catholic Leader invited intending members or interested people to contact Father Hayes. The first reply came from Bernie Maume who explained that his brother Vince would also be a member when he returned from holidays. The first girl to enquire was Margaret Gimson, and it is pleasing to record that these three have been amongst our most active members. Another notice was inserted in the Leader announcing that the first club outing would take place on Sunday, the 1st of December and the venue, appropriately enough, was to be the pool near Tibrogargan, the self same pool that was associated with the original idea for the formation of the club. The trio was attended by the following:-

Rita Byrne	Pat Goodwin
Vince Arthur	Lorraine O'Brien
Maureen Wheeler	John Power
Margaret Wheler	Margaret Gimson
Father W Hayes	Mary Costigan
Neal Reville	Col McLellan
John Waters	Marion Marley
John Copley	Bernice Caffery
Bernie Maume	Chris Bisshop
Brenda Caffery	Bernard O'Shea
Rosemary O'Brien	Dolour Fenelan

Brendan McCarthy    Allison O'Brien  
Margaret Gilroy     Adrian Draney  
Raoul Mellish

The day was extremely hot and hazy but successful nevertheless, and the Club could be said to have been established on this date.

On the administrative side, the Club was fortunate in securing office bearers with a happy blend of experience and keenness, and the first meeting was held at St. James Christian Brothers College on Thursday, January 10, 1958, and attended by fifty (!!!) people. A provisional committee to act until the first annual meeting in April was elected, and all the initial detailed work, such as drawing up a proposed constitution, arranging trips, securing finance and the many other activities associated with the launching of a new Club, was attended to by this committee. The Committee was as under :

President/Chaplain - Father W. Hayes  
Outings Secretary - Raoul Mellish  
General Secretary - Rosemary O'Brien  
Treasurer - Col McLellan  
Outings Recorder - John Power  
Committee - Pat Goodwin, Neal Reville, Vince Arthur and Vince Maume

It would only be fitting, however, to conclude by stating the obvious, but sometimes little realised fact, that a club is only as strong as its members allow it to be, and while a great deal of debt is owed to the formulators of the Club, a similar debt must be acknowledge to the keen and enthusiastic people who became foundation members. They inspired the original office bearers to meet their detailed and sometime onerous duties with the satisfaction of knowing that they were helping to launch a movement that would become a respected and necessary adjunct to Catholic Social Life in the City of Brisbane.

### **\*\*\*JOKE\*\*\***

Two women were discussing marriage, and one said, "We've been married ten years, and every night my husband has complained about dinner. Not one night without complaining about the food."

The other woman said, "That's awful. Doesn't it bother you?"

The first one replied, "Oh, no. Not in the slightest."

"You must be a saint!" commented the second.

To which, the first woman replied, "Why should I object? I enjoy his cooking just fine."

Da-Dum.....

I hope everyone enjoys this month's magazine. I had a blast doing this one up. And, thank you for the complements from those of you who have offered them. I am glad to step into the editor's shoes for a while.
