CLUB HUT - BASE CAMP December 20-22nd

TIME - 7.30 pm
CONTACT - Paul Mc Donald - 205 1984 (H)
PLACE - Sullivan Nicolaides Laboratory
134 Whitmore St Taringa
GRADE - Easy
EMERGENCY OFFICER -
COST - \$12.00

As is traditional, departure will be on Friday night. After arriving at the Lower Portals carpark, we will walk into the Hut, so ensure you have a torch, as well as at least one spare set of batteries. This walk is graded track almost all the way, and should take around 1½ hours.

Saturday will be an easy walk to the Lower Portals for a swim, followed by a leisurely walk/swim up Barney Gorge. Saturday night will be a gathering around the fire, with perhaps a mini-Christmas Party (so bring those goodies!).

Sunday will be an early swim at the Portals, after which we will pack and head back to the cars, with a detour down Rocky Creek.

This should be a great weekend, and an excellent opportunity to visit the Hut.

MT GLORIOUS - DAYWALK December 26th

TIME - 9.00 am
CONTACT - Michele Endicott - 351 4092 (H)
PLACE - Coles New World Carpark,
Cnr Harry St & Stewart Rd, Ashgrove
GRADE - Easy
EMERGENCY OFFICER -
COST - \$6.00

The location for this trip is on Brisbane's northern outskirts, in the D 'Agular range. It is a pleasant 20 minutes drive up to the first of our 3 walks - Mt Nebo. You drive from the hot plains of Brisbane to the cool heights.

This is a short 20 min walk through most of the vegetation types contained in Brisbane forest park are tall lush wet eucalypt forest and some true rainforest, as well some open grassy eucalypt country as the start. It is in an desire type soil, with granite surrounding it. You drive to Mt Glorious itself for two walks.

The first one is on the Brisbane side of the road, the track goes down the escarpment through the forest. The rainforest here is a result of high rainfall associated with altitude. This first one takes about an hour, it's situated in Neranleigh Fernvale Beds, geologically speaking.

Across the road is the more famous GREENS FALLS circuit. This passes through lush rainforest, a fine example of the sub-tropical variety with its typical palmgroves, vines, and ferns. You walk along the crystal clear creek for part of the way to Greens Falls. The picnic area where you all have lunch is an old sawmill.

After Christmas each year the Club puts on a special walk - one not too strenuous. As we consider it an extension of Christmas it is hoped you bring along leftovers to share. You won't need to carry any pack except for minimal water - lunch is beside the cars. So nominate to Michele, there will be a walk somewhere on this day even if the tracks are closed due to the drought. So still nominate for the walk of the year and don't believe the rumours.

Lightning Falls Circuit is undoubtedly one of the most beautiful track walks in the O'Reilly's region. Although long (21km), it is not difficult, and well worth the little effort involved.

It features numerous cascades amidst the rainforest (bring togs), as well as a number of areas of Beech forest. Nominate to me at the meeting.

PIZZA HUT - SOCIAL

January 10th

TIME - Noon onwards
CONTACT - Paul Mc Donald - 205 1984 (H)
PLACE - Pizza Hut, Charlotte St City

Around Christmas, Club members traditionally meet for a Pizza lunch. If you intend to come, try to let me know beforehand. If you're the first there, try to grab a table, and wait for others to join you (Bookings are not normally taken). This is usually popular with City workers and those enjoying extended holidays (Teachers).

RUNNING CREEK FALLS - DAY WALK

January 19th

TIME - 7.00 am SHARP
CONTACT - Phil Murray 841 0254 (H)
PLACE - Charlotte St, behind the Cathedral
GRADE - Medium
EMERGENCY OFFICER -
COST - \$13.00

Running Creek is located in southern Lamington NP, and are around 100m high. This is a fairly long day walk, so we WILL be leaving on time. Ensure that you have a hat and sunscreen, as the first part of the walk is through open country.

The walk is rated medium, but conditions could alter the difficulty. The falls themselves are spectacular, with a magnificent swimming hole below. Nominate to Phil for an excellent walk.

PRESIDENT'S REPORT

As those who have attended meetings would be aware, our Club is to host the 1992 Federation Pilgrimage in September 1992. It is planned to be held at Girraween N.P. For this to be a success, the ENTIRE Club will have to assist the Pilgrimage Committee. If you can assist, please contact Christine Walker.

Note that due to the Pilgrimage, the walk's calendar may have to be changed to allow for pre-outings etc. For each walk we will require at least three leaders/assistants/backups, and with hopefully at least 7 walks, which adds up to a lot of leaders!

The Annual General Meeting is coming up soon. If you feel that you would like to contribute to the Club by being on Committee, now is the time to start considering it.

All membership fees are due as of the first of January. A membership renewal form is enclosed in this issue, and one should be submitted by every member.

On behalf of Committee and myself, I would like to wish all a Holy and Merry Christmas, and a happy and prosperous New Year.

Paul

M.B.S.
(More Beaut Scandal)

Thanks to all those who lent their homes and cooked for the Progressive Dinner - a great night, and a much needed money spinner for the Club.

Special thanks to Kerry M for organising the above, especially in view of her car accident.

Further on the dinner:- Just what DID happen at Bernadette's home after almost everyone had left. Rumour has it that "The Great Pie Fight" has made a comeback.

By the time this is out, Graham Walters and Pam Woodrow will be husband and wife - congratulations and best wishes for the future. The soldier and the ballerina - sounds almost familiar. That's one marriage from the three romances reported after the Byron Bay walk, another is still going and may yet produce permanent results.

Congratulations also to Dan O'Leary who is getting married on January the 4th to Bernadette Beilinger.

While on such a note:- Yes it's true. Yet another romance has surfaced in the Club. It's been on for quite a while, but it's still very hush-hush. Let's just say that they are both prominent members, and she's the "older" woman. He seems very reticent to publicise the matter, while she, although normally shy, seems to be pushing him into the open. Their secret cant be as secret as he would like - they were serenaded by fellow bushwalkers on a recent walk, and both seem to be volunteering to go tail end - and usually aren't seen for the rest of the walk - stay tuned and see if you can spot the couple!!!!

Welcome back to Gabriel R. The years away don't seem to have changed him (well, there is a beard).

On the subject of beards, it seems that some people are only just noticing Paul Mc's absence thereof!

Congratulations to a former Club Chaplain - the soon to be Archbishop Battersby. We see his interests are Bushwalking and mountain climbing. Will he be seen walking with the Club - No more Mt Lindsays, we promise.

GST or not to GST. It seems that Club memberships may be subject to the GST. Better pay up soon and save money!

Was that really Anthony D seen dancing at a recent Club function - who's influence could be behind that???

Congratulations to Liz L on her promotion and new job. She has finally made deputy principal, at Scarborough. Congratulations also to Michele E on her new teaching job at the Catholic University. Just how many students will she be teaching next year???
