EDITORIALSUPPORT YOUR LOCAL OUTINGS SECRETARY!!!

Of all the executive positions in the Club, that of Outings Secretary would take the cake for being the most arduous, time-consuming and thankless.

On his shoulders falls the responsibility of organizing a sub-committee to arrange the years' calendar, arranging leaders for each trip as well as transport and emergency officer systems. As well he is responsible for issuing and collecting reports for official club records and compiling the annual report.

You can lighten this load considerably by handing reports in within a week or two after a trip has been held and especially by contacting Chris by the Tuesday before the trip with full details of nominations so that transport arrangement can be facilitated.

Leaders should also have some kind of report actually thought out and prepared for the following meeting. Reports of past trips can be most entertaining both for participants and other members if a little effort is put into their presentation. Don't knock the audio-visual method - diagrams or cartoons and slides can make your report more informative - see article on Reports.

A NOTE FROM OUR TREASURER

I am anxiously awaiting many Nominations/accounting Forms which are long overdue from Leaders.

Drivers have submitted their claims for trips which I cannot pay until the Leaders of the various trips hand the forms to me. In future I would like the forms handed to me together with the money as soon as possible after trips. This will not only make my job easier but it will enable the drivers to be reimbursed without too much delay.

OUTINGS IN RETROSPECT

BINNA BURRA:

Leader:

Basecamp 3rd/5th September
Val Pedrolini

Five people left Brisbane just after 7.30p.m. for Binna Burra via Beenleigh, Gaven Way to Nerang and turning right at the traffic lights onto the Beechmont Highway and following the signs to Binna Burra. We arrived at the camping grounds at 10.00 p.m. which have new toilets and hot shower facilities. So when the camping fee of \$2 per person for the two nights was paid we then retired. Saturday morning we saw the sunrise from the coast and the mist in the valley below. We started walking at 9.00 a.m. on the Ship Stern graded track through dry rain forest passing Tangahla (Picnic Rock) then later walking through Kong Gong Rock and stopping at the Lower Ballanjui Falls. Then further onto the Charroomba Rock following the stairway to the top for lunch. We had good views of Egg Rock and the Ship Stern Range and also a view of the Lodge on the other side. At this time of year there were some orchids and many other flowering plants in bloom. Also this area changed from rain forest to Eucalypt Forest. After having lunch we went back the same way stopping at Picnic Rock for some more views of Egg Rock, Shipstern Range and this time including Turtle Rock. We then headed back to camp to collect some wood down the road. After dinner we had our hot showers and a singalong around the camp fire. Sunday morning with five more people to join us we left for Picnic Rock at 10.00 a.m. to do some abseiling for the benefit of the throughwalkers who had the equipment for their walk but the throughwalk being cancelled because there were not enough people on the basecamp for the Saturday. We had lunch at the base of the cliff then more abseiling and back to camp. We left the camp at about 4.00p.m. On the way back to Brisbane there were some good views of the coast, Numinbah Valley and Mt. Warning.

MT. ERNEST

12th September, 1976.

Leader:

Cris Neiland - Daywalk

Attendance 8

The party arrived at Ernest about 10.30 a.m. The first part of the climb was very steep, and open until the rocky sections which weren't so hard. Best views were on the way up. The mountain had just been up in flames and being a hot day the walk wasn't all that enjoyable. Overall it was a good day.

SOCIALS

The next Social is to be a Hawaiian Night on the 30th October. This is being held at Bernadette Hayes place at Gilston Street, Keperra, beginning at 7.00 p.m. You must turn up in Hawaiian costume of course. As well as plenty of competitions and dancing, there will also be swimming at the pool. Please nominate at the next meeting. Nominations close on 22nd October. Cost will be \$3.00.

COMING SOCIALS

Don't forget, canoeing is our social for November. This will be held on Sunday 20th November at lake Cootharaba. This is one of the Noosa Lakes and is up past Tewantin. It is a beautiful lake and there will be plenty of swimming so keep this social in mind.

.....

December is time for our Christmas Party, which this year will be held at Greg & Cecily's home at Ferny Hills.

PAST SOCIALS

FAMILY BARBECUE

A great idea which turned out to be a good success for those who went to it. About 50 people mainly young kids turned up and thoroughly enjoyed themselves.

Those parents who were there and the ex-members who came all acclaimed the day an outstanding success and requested that another be put on soon. It's a shame more club members didn't bring their parents along to this function so that they could meet other members and their parents.

CLUB PHOTOGRAPHIC COMPETITION '76

Slide competition time again. The competition entries should be handed in to Val by the October monthly meeting on the 11th October and be accompanied by the entry fee of 5\$ per slide. There will be three categories of entries.

1. Club Activity - Including socials and preoutings.
2. Humorous.
3. Scenic.

The slides must have been taken on club outings only and from August last year. Also name and category written on the slides. Results will be judged at the November monthly meeting.

.....

FEATURE FOR OCTOBER

There will be no special feature just bring along those slides that we haven't yet seen of the past club trips or holiday trips. Also any slides on the coming trips to get more people interested in going on the trip.

.....

Square Dance at Pullenvale Hall on Saturday 2nd October.

TRIP REPORTS

Both the Treasurer and the Outings Secretary are experiencing great difficulties in performing their jobs because trip leaders are not sending in their reports. The Leader should hand in all monies collected plus the financial section of the report to the treasurer at the meeting immediately after each trip, as no reimbursement can be made without this report. The actual trip report should be handed to Cris within a few weeks of the trip not months later as in happening at present.

Leaders are also reminded that they should ensure that reports are in the hands of the editor for the circular before and after each trip.

REIMBURSEMENT RATES

The current rates which have been sending the Club Broke have been revised by Committee. The new suggested rates are:-

3 People & 3 Packs	1.6 cents/km.	Mazda 1300
4 people & 4 packs	1.9 "	All Cortinas

MORE BEAUT SCANDAL

The Raffle was drawn at the Barbecue and was won by Greg Endicott, President of the Vices. Do I hear outraged murmurs of "Gambling" - "Rigged" ?

Happy Birthday to one Outings Secretary who turned legal on the 21st September.

Congratulations and best wishes to Greg Endicott (V.P.) and Cecily Palmer who will be married on 10th October at 3.00 p.m. in St. Williams Church, Dawson Pde, Grovely. (It's all a plot really - Cec wants to control Club Vices)!

Wonder how many trip leaders will be left alive when drivers find out why they haven't been reimbursed? (Better hand in those reports or prepare for pulverization!)

Warm welcome to Mike & Teresa Laherty's baby John Patrick.

Congratulations to David Mort who is now super-legal (i.e. 21) Another oldie joins the ranks.

Yet further congratulations to Jim & Kath who have (AT LAST) announced their engagement.
