BRISBANE CATHOLIC BUSHWALKING CLUB
CIRCULAR COVERING LATTER JUNE AND JULY. 1956.

Dear Member,

Your attention is drawn to the following :-

Barbecue Saturday June 28th. Late afternoon and evening.
Site Scouts Crossing - Billy boils at 6.00 p.m.

Please bring your own steaks, milk and sugar and utensils. Steaks etc. will be cooked and tea provided for the cover charge of 2/- per head.

If you are coming by train, get a return ticket to Strathpine. Those requiring directions may contact Vince Maume UX.3242 or Col McLellan LM.3972.

The site for this barbecue is a pleasant one, as those who went on the Samford day walk will remember. There is no set time of departure from the city on Saturday afternoon, but those who would like to see some of the countryside beforehand, would do well to catch an early afternoon train.

Swimming is still good, if you don't mind the water a little cooler.

Day Outing Sunday July 13th - KHOLO Crossing, Upper Brisbane River
Leader - John Power. Meeting Place at main entrance to Central Station at 9.10 a.m. sharp - Train departs 9.22 a.m.

Please purchase return ticket to Ipswich.

The walk starts from Ipswich and the trip will be highlighted with fine views of the upper reaches of the Brisbane River from KHOLO Crossing to COLLEGE's Crossing.

The walk passes through grazing country with tall gum trees and the last two miles are made along the top of a cliff overlooking the river. BLACKBELL Rocks, a spectacular outcrop will be visited.

The party will catch a bus back from College's Crossing to Ipswich - please allow a few extra shillings for the fare. The train gets back to Central at about 8.35 p.m.
N.B. Full water bottles are advisable.

Weekend Outing July 26th and 27th Cedar Creek.
Mt. Tamborine. Leader Col McLellan. Closing date for Nominations Friday July 18th. Return Fare 25/- per head. (unless circumstances necessitate otherwise).
N.B. Bus leaves Greyhound Depot South Brisbane at 12.30 p.m. sharp on Saturday afternoon.

This trip has been specially arranged to cater for those who have to work on Saturday mornings.

The camp site will be at Cedar Creek Scenic Reserve about 3 miles down from Curtis Falls. There are two quite good waterfalls and rapids near the camp site.

The main trip on the Sunday will up the side of the mountain along the old abandoned road, skirting around the cliffs near Cameron Falls, with lunch at the top of the falls. Another graded track will then be followed through rain forest to the Knoll National Park, which gives great views of the western side of the mountain. The main road will then be followed through North Tamborine and Curtis Falls back to camp.

The party will be back in town in time for evening Mass.

Proposed Club Photography Competition.

A photography competition to be run by the Social Committee has been arranged, and it is proposed to have it judged in September. There will be a prize for the best entry in each of the following divisions for both colour and black and white:- Club characters - Club activities - General. Those interested may get further details from Chris. Bisshop M.5484.

By-law No.5.

The following new by-law has been made by the General Committee:- "Members, prospective members or visitors, will not be permitted to attend any club or field outing unless they travel by official transport or motor vehicle in the lawful possession of such persons. The same vehicle or official transport must be used for the return journey."

In short, "hitch-hiking" to club outings is not allowed.

Correction of By-law No.2 Section (c) - After the wording "may attend only 3 outings..." please delete "per year."

Next General Meeting - Thursday July 10th.

Featured at this meeting will be colour slides on the Grampians, a fine range of granite mountains outside Stawell in Victoria. Vince Maume will present these slides.

Yours faithfully,

Raoul Mellish
Vice President.
